2) Non-Surgical Treatments and Skin Care!

RESTORE REJUVENATE RESPECT "Dedicated to rejuvenating you"

Our skin is the natural mirror of our health in every phase of our lives. Discover the benefits of not looking your age when you explore the latest in non-surgical procedures available at Dr. Craig Layt s', Restore Rejuvenate Respect.

Our latest addition is the IPL with the advanced ELOS technology. The ELOS combines bipolar conducted electrical current with optical (light) energy. Treatments are individualized to each person.

Other treatments available are:

Medical Strength Microdermabrasion - used for:

- Hyperpigmentation
- Sun damage
- Aging skin
- Skin discoloration
- Tissue reinforcing by promoting new cell growth and collagen production

IPL - used for:

- Broken capillaries
- Blemishes
- Pigmentation
- Photo Rejuvenation
- Hair removal

Dermal Fillers - used for:

- Deep and fine lines
- Lipstick bleed lines
- Lip enhancement

Anti-ageing Injections (Cosmetic Injections)

- Anti aging injections can wipe years off your face and the treatment only takes a short time with minimal down time. They work best on:
- Crows feet
 - Frown lines
 - Expression Lines

Anti-aging Skin Care Range

- Cellex C - Vitamin C based skin care range.
- AFAs - amino acid skin care
- Hamiltons Sun Protection range
- Australian Skin Technology (AST) - Lactic acid and Vitamin C based
